- Going to the field and doing **need assessment**. Preparing, Monitoring, and participating in **FSL, Shelter & NFI**, and **WASH** activities, Preparing Activity reports, and also preparing **maps** related to our NGO's activities.
- Attending regularly WASH, FSL, and Early Recovery (**ER**) which is now Economic Empowerment (**EE**) **meetings**.
- Participating in sector-related courses (The Wash System Academy by **IRC** and Humanitarian Leadership Academy by **Kaya**) and attending sector-related training.

27/02/2023 – 31/08/2023 HATAY, Türkiye

KITCHEN PROJECT COORDINATOR BELGIUM AID (BELGIUM), FEEDING HUMANITY (UK) AND MÜSLÜMAN ELLER DERNEĞİ (TÜRKİYE)

- Set up a **temporary kitchen** next to the **formal tent campsite** in the Samandağ-Hatay area.
- Set up a cooking, depo, and Food serving area with the help of the **Turkish Army**.
- Talked with the **AFAD, Kızılay** for the delivery of kitchen items and also talked with the **governing bodies** of Samandağ district for the supply of water and electricity and was delivering **4000** meals per/day.
- Talked with the **local and international media** to explain our efforts to deliver food to the locals.
- Worked as a **Translator** with doctors from the UK and USA.
- Engaged with the **local communities**, trying to solve their problems, and delivering them the right information which I got from the sector meetings.
- Set up a **playing area** for the kids with the help of locals and volunteers, where we arranged entertainment activities for the kids living in the formal tent campsite.

08/02/2023 – 16/02/2023 HATAY, Türkiye

SEARCH AND RESCUE TEAM MEMBER ANDA | EĞİTİM ARAŞTIRMA YARDIMLAŞMA VE ARAMA KURTARMA DERNEĞİ

- Participated in Rescue operations near **Ronessans Residence** area in Antakya.
- Worked as a **Translator** with international rescue teams.
- Worked as a **Civil engineer** by leading rescue teams and also **drawing sketches** of the affected structures to find the location of the staircases and lift areas, because most of the people lost their lives in these areas.

02/02/2022 – 27/10/2022 Istanbul, Türkiye
AUTOCAD DRAFTER, SEARCH ENGINE OPTIMISATION EXPERT (DATA ANALYST) AND WEB DEVELOPER. WORLD SEVEN PREFABRIK YAPI SANAYI VE TICARET LIMITED ŞİRKETİ

In this work experience, I get the experience of working in different fields.

- I started my job as a **Front-End Web developer**. I built the first version of **containhaus.de** using **React js** and **Next js**.
- My second work experience was there as a **Search Engine Optimization Expert** (SEO). I was doing the SEO especially for the **German marketplace** and in the general overall European marketplace.
- My last work experience in the company was to draw **AutoCAD** drawings of **shelter containers, toilets, and shower cabins with sanitation facilities** and also customize them according to the needs of customers.

Note: Because of this experience I became an expert in **container-based shelter design and manufacturing** which is one of the most essential needs of the shelter sector for the longer term.
